# Sancerre "Les Bouffants"

2022

Fournier Père et Fils, with access to some of the most prestigious parcels throughout Sancerre, Pouilly Fumé and Menetou Salon, prides itself on showing intrinsic terroir variation through its top-quality wines. Combining family winemaking traditions with modern technology – including custom tanks and gravity flow – the domaine is dedicated to vineyard expression with a Burgundian approach to parcel designation and cuvée development. **In a series of limited-production, single-vineyard wines**, "Les Bouffants" grows on a gentle, south-facing slope with tiny white limestone pebbles that reflect the sun and speed maturity, resulting in a densely textured wine with strong minerality and intense freshness.
